CSE Society, BAUST

Mission Statement:

- To provide a platform for students to explore and expand their knowledge and skills in computer science and technology.
- To foster a community of like-minded individuals who are passionate about technology and its impact on the world.

Goals:

- To host regular workshops and seminars on various computer science-related topics to enhance the technical skills of members.
- To organize coding competitions, robotics contests and hackathons to provide opportunities for members to showcase their skills and learn from others.
- To create a mentorship program to connect experienced members with newer ones to provide guidance and support.
- To establish connections with local tech companies and organizations to provide networking opportunities and potential job opportunities for members.
- To participate in national and international technology competitions and events to represent BAUST and showcase the talents of its students.

CSE Society, BAUST

Executive Committee 2023

Chief Advisor

Professor Dr. Jahangir Alam
Professor & Head of the Department
01766128002
