BANGLADESH ARMY UNIVERSITY OF SCIECNCE AND TECHNOLOGY
Credit Transfer Policy: *(Proposed)*

1. The University has credit transfer policy for the students who intend to transfer their credit obtained from any public or private university approved by the UGC and the Ministry of Education of Bangladesh.

   1.1 To implement the policy, there are two equivalence committee of credit transfer in the university. One is the Departmental Credit Transfer Equivalence Committee and another is the Central Credit Transfer Equivalence Committee.

   1.2 **The students' admission office of the university** will provide auxiliary services to the committee. When a student wants to transfer his/her credit in this university, s/he will first apply to the students' admission office filling up the admission form along with necessary documents like, migration certificate, grade sheet and syllabus from the university where s/he studied earlier.

   1.3 The admission office after receiving completed application, forwards it to the Departmental Credit Transfer Equivalence Committee.

2. **Departmental Credit Transfer Equivalence Committee:**

   The committee will consider the said application for grade equivalence between BAUST and the student's earlier university on the following points:

   a. For under graduate program, a student must have a minimum GPA requirement both in SSC and HSC examinations as per the UGC guidelines and BAUST admission policy. For graduate program a student must have a minimum GPA/CGPA requirement at SSC, HSC & Bachelor examinations as per the UGC guidelines and BAUST admission policy.

   b. Course(s) completed from previous university must be similar to at least 80% of course title and course contents with the corresponding course(s) of BAUST.

   c. Maximum number of credits may be transferred as 50% of the total credits required for completion of the program at BAUST. But it may be relaxed in case of the student who wants to transfer his/her credit from the Army run institute/university.

   d. The completed non-credit course(s) of earlier university will not be accepted at BAUST.

   e. The level at which a student will be advised for admission that will be recommended by the Departmental Credit Transfer Equivalence Committee on the basis of the maximum completed course(s).

   f. If any course(s) remain(s) incomplete at below the level where the student will be admitted, s/he will be given option to complete the course(s) within three semesters.

g. Obtained letter grades on the waived courses of a student from his/her earlier university will be accepted directly if the grading policy of previous university is identical or not with the BAUST grading policy.

h. A student who has transferred his/her credit in this university, s/he will not be permitted to sit for any improvement examination of his/her waved course(s).

i. At the time of preparation of class routine and examination schedule, the department should provide a chance to the transferred student for attending extra classes and examinations of incomplete course(s) below the level of admission.

j. In case of break up study of a transferred student, BAUST will accept a maximum of one-year during a tenure of bachelor degree. This tenure may be considered up to two years based upon the special recommendation of Departmental Credit Transfer Equivalence Committee.

k. If any examination of incomplete course(s) overlaps(s) due to credit transfer, the student may be permitted to sit for Referred/Improvement/Backlog exam to complete that course(s). Alternatively, the examination committee with the consultation of controller of examinations may arrange the said examination in the same day.

l. Judging on the above-mentioned points, the Departmental Credit Transfer Equivalence Committee will forward the application of the student along with its decision to the Central Credit Transfer Equivalence Committee.

3. **Central Credit Transfer Equivalence Committee:**

After receiving the application for credit transfer of a student from Departmental Credit Transfer Equivalence Committee, the Central Credit Transfer Equivalence Committee will sit to review the application. If the applicant is considered to be eligible for credit transfer in this university, the committee will recommend it for admission and send it to admission office of the university for its processing.

4. **The admission office** will finally process the application for admission to the respective department provided the applicant has paid credit transfer fee TK. 5000/- (Five thousand) only to the university along with other required fees.
